## About

### History

Curio Translations is a leading languages provider based in Palestine. We keen on our multinational clients and law firms needs. Specializing in legal, business/finance, IT, medical and technical fields.

The world is getting smaller every day; therefore, the need for accurate and reliable communications is continually growing.

We take great pride in going the extra mile to facilitate global communications by breaking down language obstacles, helping companies and individuals to get their message across properly and intelligibly with 24/7 support. We provide a broad range of multilingual language solutions in over 150 languages.

Years of dedicated hard work from our team of translators, interpreters, project managers and many other subject-matter experts have made our services a trusted choice for many clients.

#### What Puts Us Ahead?

Our translation agency has become the trusted choice of many companies. This is because our translators possess and utilize their strong sense of cultural awareness to deliver effective translations that resonate strongly with the target market.

Adapting your content whilst staying faithful to the source text is what we are about! Trust our team of specialists to deliver translations that leave the right impression on your target audience.

Before any translation work is allowed to be sent to a client, our team of experts reviews the translations for silly errors and typos. On any occasions that we overlook mistakes, our priority is to urgently make it right as soon as possible.
